

Shoot First, Die Later

Details: 1976, Raro
Video

Rated: Not rated

The lowdown: This rarely seen drama is an action-packed police thriller about a crooked young detective who must ask his father, also in the department, but lower on the rung, to get him a certain report that he could then pass on to the crime syndicate that pays him.

The father son realizes his son is on the take, which creates numerous and deadly complications.

This drama is considered one of the most impressive Italian crime-police movies released in that country.

Technical aspects:

1.85:1 (16x9 enhanced)
widescreen picture; Ital-

ian and English 2.0 Dolby digital monaural audio; English subtitles.

Don't miss: Extras include a couple of documentaries about the movie and its director, Fernando Di Leo, as well as a booklet about the genesis of the film.
